WORK EXPERIENCE

Product Management Intern - *Gekko Corporation* — December 2025 - May 2026

- Led 0→1 discovery for AI governance chatbot, conducting 10+ interviews to define user journeys and MVP scope
- Authored 15+ PRDs and user stories, prioritizing backlog against customer feedback and business goals
- Partnered with 5 engineers on RAG-based architecture, shipping compliant AI features to improve accuracy by 30%
- Led usability testing with 10+ stakeholders pre-launch, translating feedback into fixes that cut reported errors by 20%

Product Management Consultant - *UW Foster Consulting & Business Development Center* — June 2026 - Present

- Interviewed 20+ stakeholders across 3 businesses to surface pain points and scope product requirements from 0→1
- Analyzed financial and market data across 3 clients generating $850K+ revenue to prioritize roadmap opportunities
- Developed product requirements and go-to-market roadmaps for 3 engagements, translating needs into solutions
- Presented final recommendations to 10+ stakeholders, incorporating feedback into reports adopted by all 3 clients

Product Manager Intern - *Aptsys Technology Solutions Pte Ltd* — June 2025 - August 2025

- Conducted 10+ customer interviews with restaurant operators to translate workflows into POS product requirements
- Documented user stories and PRDs for 5+ features, aligning engineering sprints with customer needs
- Collaborated with engineering and sales teams to ship POS features supporting $50K+ ARR across enterprise clients
- Built and demoed product prototypes, synthesizing customer feedback to improve implementation efficiency 20%

PROJECTS

Resource Allocation Platform - *WINFO Hackathon (Breaking Grounds: Discovering Solutions)* — January 2025

- Scoped and built a 0→1 real-time resource-matching platform connecting disaster relief donors and recipients in 24h
- Defined user personas and journeys for donors and recipients, prioritizing MVP features based on urgency of need
- Selected as a finalist for Best Overall among all teams, validated by judges on product design and impact

LEADERSHIP

Women in Informatics (WINFO) - *Content Committee Lead* — January 2025 - Present

- Coordinated 15+ contributors to launch 6 podcast episodes 0→1, growing WINFO's audience reach across platforms
- Analyzed listener analytics across 6 episodes to inform content roadmap, projected to grow engagement 25%
- Gathered feedback from 50+ listeners to prioritize upcoming topics, shaping content strategy each season

Sigma Psi Zeta Sorority, Inc. - *Vice President of External Affairs* — May 2025 - May 2026

- Managed relationships with 10+ external organizations, resolving conflicts to maintain standing and alignment
- Partnered with 3+ campus organizations to launch joint events, negotiating shared priorities across stakeholders
- Analyzed recruitment metrics across campaigns to inform outreach strategy, increasing participation 3x
